ACCUSED OF KILLING WOMAN IS TARGET FOR ATTEMPT AT EXTORTION

By KAY TATEISHI
Whittington, Japan (AP)—William S. Girard and his Japanese wife were married today—and promptly found themselves the target of a shakedown attempt by a shopkeeper who had posed as a friend.

Shimizu, 34, promoter of a "forgive Girard" campaign and by police as a paroled extortioner, demanded two million yen "condemnation money" for the family of the Japanese woman, old GI is accused of killing Jan. 30.

Shimizu was lodged with the bride, Mrs. Haru Candy Girard, an three hours after she had filed at the U. S. Embassy in papers which made her Girard's wife under Japan's laws.

Looking forward to their real marriage Friday when they kneel at the white chapel in this U. S. Army base, Candy found Shimizu waiting for her when she returned from Tokyo to her home village.

Shaken and in tears, she told newsmen of the encounter:

"He told me 'The people of Somagahara are angry at you for marrying Girard. You must pay two million yen condemnation money to Mr. Akikichi Sakai.'"

Sakai is the husband of the 46-year-old scrapmetal scavenger killed by an empty cartridge case fired from a grenade launcher on the U. S. firing range near Somagahara.

The weeping girl said she was in an embarrassing position because she felt indebted to Shimizu "for asking the Japanese to help my man." He announced two weeks ago that he was launching a drive for 100,000 Japanese signatures to a petition asking that Japanese authorities acquit or pardon the youth from Ottawa, Ill.

Girard, a noncommissioned officer with four years' service, is entitled to housing here on the base when he marries. But an Army spokesman said no quarters are available at present and the couple probably face a long wait.

"The couple" may spend their wedding evening at the home of a sergeant friend on the base, but later he will return to his barracks. The bride will go back to the small apartment she has near the camp.

Candy, part in a flowered yellow-tan dress with white shoes, white necklace and earrings, was brought to Camp Whittington to sign the papers.

She left the camp immediately after the ceremony and registered the documents at the U. S. Embassy in Tokyo, 60 miles away, validating the marriage in the United States. The papers were deposited with the Akasaka ward office, completing the process.

Armament Discussed Sec. Dulles

Blistering for the Season's Worst Heat Wave

The Associated Press
Warren's longest heat wave southwest showed no indication of a general break today other day of 100-plus temperatures.

Intense heat spread into eastern areas yesterday sent temperatures into the 90s as far north as Montana and Nebraska.

Hot spots were in most of New Mexico, Arizona and western California. Top mark degrees at Presidio, Tex., reading at Roswell, N. M., all-time record for July.

Temperatures were near 100 degrees the night in some of the Southwest desert. It was 89 at Blythe, Calif.

Cool summer weather was in the northeast part of the country and the northern lakes region but generally temperatures prevailed in the east. Temperatures were in the 50s in the cool belt.

Force Officer Safe After Days in Frozen High Sierra

San Diego (AP)—An Air Force Lt. David A. Grinnard, 23, was rescued today after being trapped for eight days in the night-frozen Sierra after parachuting from a plane May 9.

"I put my faith and trust in God and He certainly did a good job of it," Mrs. Steeves said.

Steeves' wife Rita, also in Trumbull, exclaimed: "It's true! It's true! It's marvellously true! I don't know what to say. It certainly is marvellous! I'm not making much sense, am I?"

Steeves' grim story began shortly after he left May 9 from Hamilton Air Force Base, near San Francisco, for Luke AFB, Ariz., en route to his home base at Craig AFB, Selma, Ala.

He said he never knew what happened to the T33 jet trainer he was flying solo.

"It just exploded," he told his mother over the telephone.

Reports on Hospital Patients Encouraging

Sixteen-year-old Charles O'Connor was reported to still be in a semi-conscious condition today at Warren General Hospital where he was admitted Friday after a serious auto mishap on the three-lane at high board fence. A family spokesman said they were somewhat encouraged by the fact that the boy appeared to be holding his own. First x-rays of his head and neck are scheduled this afternoon.

Meanwhile, a hospital spokesman said today that Thomas Condon, 25, of RD 3, Sugar Grove, who had also sustained a fractured skull in an auto crash (this one at Lander) was reported to be in "fairly good" condition and presumably out of danger.

Irwin Resident Uses Dynamite To Kill Himself

Irwin (AP)—A man was blown to bits by dynamite early today in nearby Yukon, and the coroner said that "in all probability" the death was a suicide.

Coroner Stephen D. Yoney of Westmoreland County tentatively identified the victim as Matt Pichulin, about 57, a former coal miner and one-time shoe repairman. Relatives said he was always "tinkering" with explosives.

The blast occurred next door to Pichulin's home on a concrete patio at the rear of the home of his brother-in-law, Anthony Brandstetter, 52.

Brandstetter and his son, Melvin, 18, were sleeping in a second-floor bedroom at the rear of the home. Mrs. Brandstetter, 43, was asleep in an adjoining room and the couple's other son, Anthony Jr., 19, was sleeping on the first floor. All escaped injury.

The blast ripped a hole 8 by 10 feet in the rear wall and blew apart the bed on which Brandstetter and his son were sleeping.

"The Good Lord was with us," said Brandstetter. "I was thrown out of bed. When I picked myself up after the explosion, I ran through the house turning on the lights. Then, I got my wife out of the house, and my sons. I didn't know what had happened at first."

Brandstetter said Pichulin and his wife had been separated about six years.

"He was always fooling around over there, trying to invent something," Brandstetter said. "I don't know what he was working on. He has told several of us that he would not die a natural death. He said he was going to put dynamite around him and blow himself up. He said he didn't want a funeral."

Coroner Yoney said the victim apparently tied six sticks of dynamite to his body and set off the charge with a battery.

Anonymous Phone Calls Keep Police And Firemen Busy

Whether it was mid-summer madness or just plain vacation doldrums some boys, believed residing in the upper Conewago avenue section about ten o'clock this morning resorted to anonymous telephone calls to stir up some excitement.

One came to the Times-Mirror reporting that a well known and respected citizen had beaten up his wife to the extent that it was necessary to call an ambulance and the police. Another went to the hospital to alert officials there to receive a battered patient. Still another phone call filtered into the police department.

While the call to the Times-Mirror was being traced a call, described as "a female voice," was received at the Central Fire Department reporting a blaze in the basement of the Metzger-Wright Store. When the fire ladders arrived there store officials were mystified as to the purpose of their visit.

Recapitulating the calls, and the time element, it has been decided that the same person or persons placed them just to add some scheduled excitement to the Jaycees' Mardi Gras.

Police are investigating and the youngsters may be called on the carpet.

ESTIMATE OF STORM TOLL REACHES 500

By ARTHUR EVERETT
Lake Charles, La. (AP)—Mass removal and burial of hurricane dead from the ravaged Gulf Coast of Louisiana went on today. But mounting misery beset cleanup workers and slowed their progress.

The Red Cross reported of Cameron, the little fishing village that was the focal point of last Thursday's great storm: "It is well-nigh impossible for even the strongest of men to stay in the place, much less work."

A check showed 267 bodies brought out so far from the disaster area in the southwestern tip of the state. The first batch of unidentified dead were consigned late yesterday to mass graves, with a common headstone as their memorial.

The latest estimate of total dead from Hurricane Audrey's onslaught was 500. It was made by Val Peterson in a telephone report to President Eisenhower.

Damage to crops, buildings and livestock was incalculable. Some idea of its multimillion-dollar total came from oil editor Jeff Davis of the New Orleans Times-Picayune. He estimated damage to petroleum properties alone at 20 million dollars.

A big crane lifted 47 handmade pine coffins into part of a 150-foot trench at a Negro burial ground as mass burials got under way.

Health authorities called Cameron and neighboring villages uninhabitable for perhaps as long as three weeks.

The Red Cross said it is withdrawing its own disaster crews at night, and encouraging the cleanup squads to follow suit.

President Receives First Hand Report On Storm Disaster

Washington (AP)—Val Peterson reported to President Eisenhower today that the Louisiana hurricane disaster was the worst he ever saw "in terms of brutal devastation and death."

Yet "few if any people needed to die down there," Peterson said.

The former Civil Defense administrator, whom Eisenhower sent to the scene as a personal representative, said the disaster emphasizes the need of installing warning devices and persuading people that they must seek refuge when the warning comes.

Talking with newsmen at the White House after his conference with Eisenhower, Peterson said the Civil Defense agency has been putting some money into development of an electric device to be plugged into home wall outlets.

He said it resembles a sort of oversized double socket and can be set squawking by an impulse over the power lines.

That would be the signal to turn on radios to find out what the warning is about.

Final tests are in the offing now, Peterson said, and contracts have been let for that job. He said it is hoped the gadgets will cost \$4 or \$5.

Peterson flew back from Louisiana yesterday to make his report and to be sworn in this afternoon as ambassador to Denmark.

Mahany Insists Turnpike Commissioner Resign

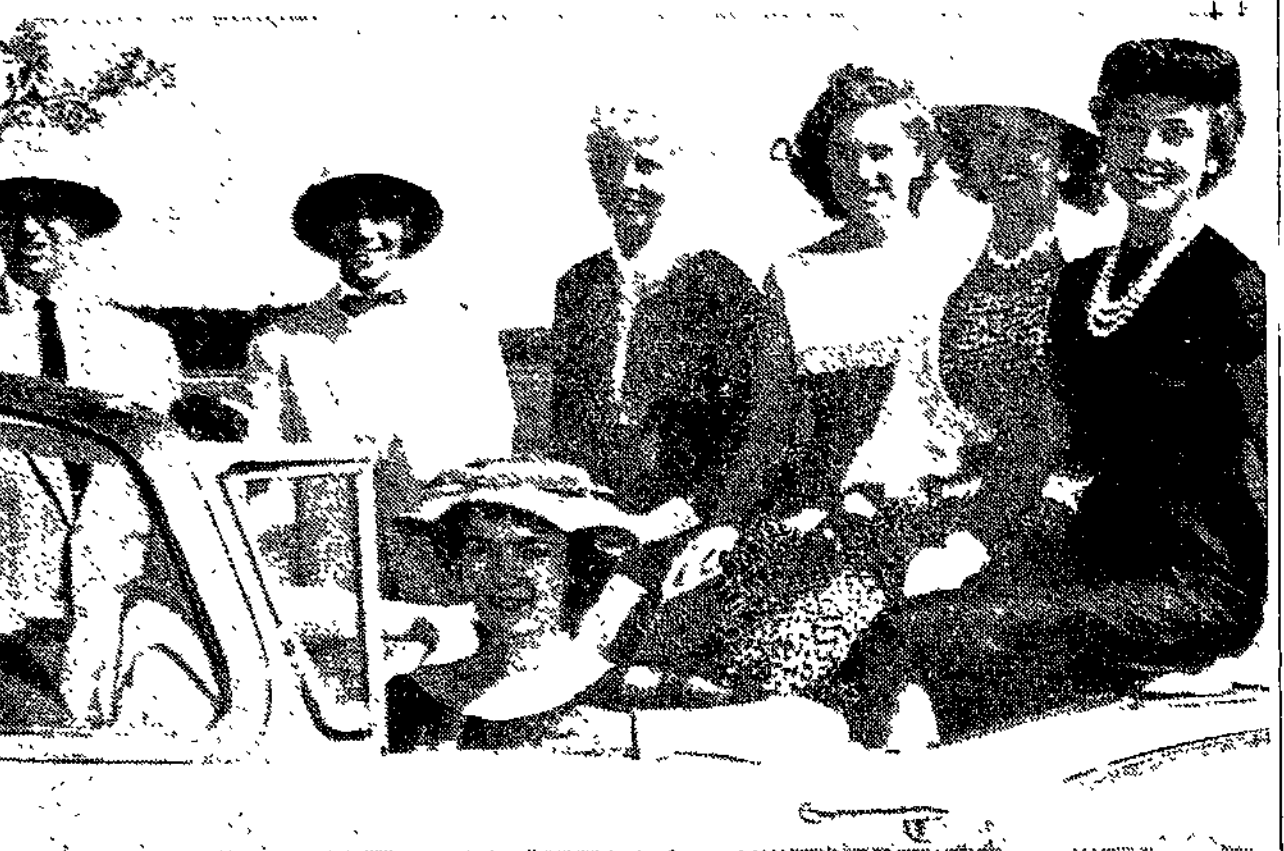

Harrisburg (AP)—Sen. Rowland B. Mahany, Republican floor leader, said today that Merritt A. Williams should resign from the Pennsylvania Turnpike Commission because of its decision to hire a \$25,000 executive director.

Mahany told newsmen it was his understanding Williams would handle the commission's administrative responsibilities when his appointment was presented by Gov. Leader and it was on that basis that he was confirmed.

The commission decided to hire an executive director last week. An appointment is expected shortly.

JEEP FATALITY
Washington, Pa. (AP)—A jeep overturned yesterday on the family farm five miles south of here, killing the lone occupant, Clyde C. Neal, 14, son of Mr. and Mrs. Vernon C. Neal of Whitehall, near Pittsburgh. Neal is a Pittsburgh contractor.

Dance at Beauty Gymnasium Will Follow Selection of 1957 Warren County Queen on Lawn at 7:30

BEAUTY MEETS BEAUTIES—Slim, trim Miss America (at right) perches on the back of a convertible at Bradford Airport with the contenders for the Miss Warren County Crown. Marian Ann McKnight flew in from New York City this morning and will crown one of the girls at Beauty School tonight at 7:30 p. m. prior to the Coronation Ball. Queen contestant behind the wheel is Sally Haley of Youngsville. Seated with Miss America are, from left, Sally Swanson, Sandra Winner and Barbara Timm. JCs in pith helmets are Gail Cobb and John Haggerty (at right). The fifth queen contestant is Andrea Kirk, also in the front seat.

Middlecoff Qualifies For the British Open

St. Andrews, Scotland (AP)—Garry Middlecoff, two-time American Open champion, shot a second round of 73 over the St. Andrews old course today and apparently qualified for the British Open Golf Championship with a 36-hole total of 148.

Middlecoff had a 75 yesterday over the shorter, easier new course. His score appeared to be well within the qualifying limit, which is expected to be about 150. The low scoring 100 players in the starting field of 290 will qualify for the 72-hole tournament proper, starting tomorrow.

Positive Thinking Used By Woman Lost On Sands of Texas

Alpine, Tex. (AP)—A sturdy blonde woman who said she used positive thinking and the 23rd Psalm to keep her courage up was found yesterday after six days of struggling for survival in the burning jungle of rock and sand south of here.

"I got so hot I was frothing at the mouth," Mrs. Wilma White, 46, of Houston, Tex., said of part of her struggle through the Big Bend National Park of West Texas. "I kept repeating the 23rd Psalm: 'Yea though I walk through the valley of the shadow of death...'"

"It made me feel a little cooler," she said.

She was spotted yesterday from the air and reached later by horsemen at the tiny cave and trickling spring which sheltered her from temperatures as high as 115 degrees.

Her husband had died in what appeared to be a vain attempt to find her after she set out for help when their station wagon bogged in the sand near the Rio Grande. They had gone into the rugged Punta de la Sierra range last Tuesday to gather cactus for their garden.

Her husband had wandered about 25 miles, apparently trying to find her after darkness set in Tuesday. His body was found Wednesday.

CHEMICAL KILLS FISH

Reading (AP)—A chemical intended to eliminate a thick scum from Carsonia Lake had an entirely unexpected result—it killed practically all the fish. Officials put the chemical in the water to get rid of algae, tiny marine plants that caused the scum. The algae were destroyed but some 10,000 dead fish floated in the two-block lake, used chiefly for fishing and boating.

FIREMEN'S BATTLE TOMORROW NIGHT

Jaycee Mardi Gras, with momentum gathered from Coronation Ball this evening, will continue in high gear tomorrow when 14 county volunteer fire departments stage a highly entertaining "battle" of the old fashion on Beatty Field, beginning at 7 p. m. Come early, bring a camp stool, watch a full early of visiting firemen's antics as the men compete for \$150 in prizes for such things as tug-of-war, plus a fine equipment demonstration.

Warren County Queen Will Be Crowned

Timm and Sandra Jean Winner. JCs have amassed some 75,000 ballots from retail stores last week and these will figure in the final decision tonight before a judges' panel composed of JC presidents from nearby municipalities.

The three-convertible caravan was chaperoned from Bradford Airport by a McKean County sheriff's vehicle and the calvacade steamed into Warren and around the business district with a wide-open siren escort by local police led by Chief Mike Evan.

Warren County Queen Will Be Crowned

Then the 19-year-old Southern Belle who calls Manning, S. C. her home was squired to the residence of George Templeton, Jr. for lunch. Afterward she and business manager "Peg" O'Neill who flew in from New York with her, were driven to Warren Motel to prepare for the evening's festivities. The couple had been up since 5 a. m.

Big feature of the evening, which will follow selection of the queen, is the Coronation Ball at Beatty School gym with Sam Donahue leading the band of musicians made famous by Billy May. Dance is scheduled from 9 to 12.

Miss America of 1957 is currently undertaking her queenly obligations which include the type of visit which Warren is now honored to receive. But when the pizzazz is all over, Marian plans to return to Coker College and complete her education there.

RECORD FUND FOR DEFENSE IN PROSPECT

Washington (AP)—Senate leaders predicted passage today of the biggest appropriations bill of the session—the \$34,534,229,000 defense money measure.

Leaders said they expect passage in just the form the bill came from the senate appropriations committee.

That group put back into the bill \$971,504,000 of the \$2,565,275,000 in reductions voted by the House. Differences will be worked out in a conference.

President Eisenhower asked restoration of only about \$1,200,000,000 of the House cuts. The administration regarded the remainder as largely bookkeeping transactions which would not affect spending in the year ahead.

One Democrat, Sen. Douglas of Illinois, urged the Senate to accept the House cuts. He announced he would offer an amendment to have the Senate take these reductions, but then add 500 million dollars to the measure for Army and Marine combat troops.

In yesterday's debate, Douglas charged the armed services with "fantastic" and "shocking" waste.

He read from dozens of contracts which he said showed money was spent for swimming pools, diaper service, golf courses and other items he described as luxuries.

Sen. Chavez (D-NM), in reply to a question from Sen. Morse (D-Ore), said the fly-over of planes which the Air Force staged last Saturday for Gen. Nathan F. Twining cost \$400,000 just for fuel. But Chavez defended it as a worthwhile training exercise.

Sen. Symington (D-Mo), former secretary of the Air Force, and Sen. Jackson (D-Wash) both urged the Senate to approve the Appropriations Committee restoration.

Jackson said Senators were deluded if they felt the money in the bill was all that was needed for defense. More will have to be voted in supplemental measures to pay "for the modern and balanced defense we need," he said.

Retailer Committee Busy Completing Float For Parade

The Retailers' Committee of the Warren Area Chamber of Commerce met last night to complete plans for a float in next Saturday's parade and to discuss a sales promotion event for later this summer.

Dick Ross reported that the retailers float will be finished tonight and tomorrow night with help from committee members, John Logan, Nick Wendelboe, Jr., Al Minelli and James Gorfida.

Other reports given included sales promotion by Frank Wood, Store hours by Ray Stein, merchants picnic by Nick Wendelboe, Jr., parking by Jake Levinson.

Others attending the session were Chairman James Blomquist; Rex Biekarck, William Cannon, Karl Grettnerberger, Woodrow Jensen, F. E. Kleshauber, George Redding, and Charles Tranter.

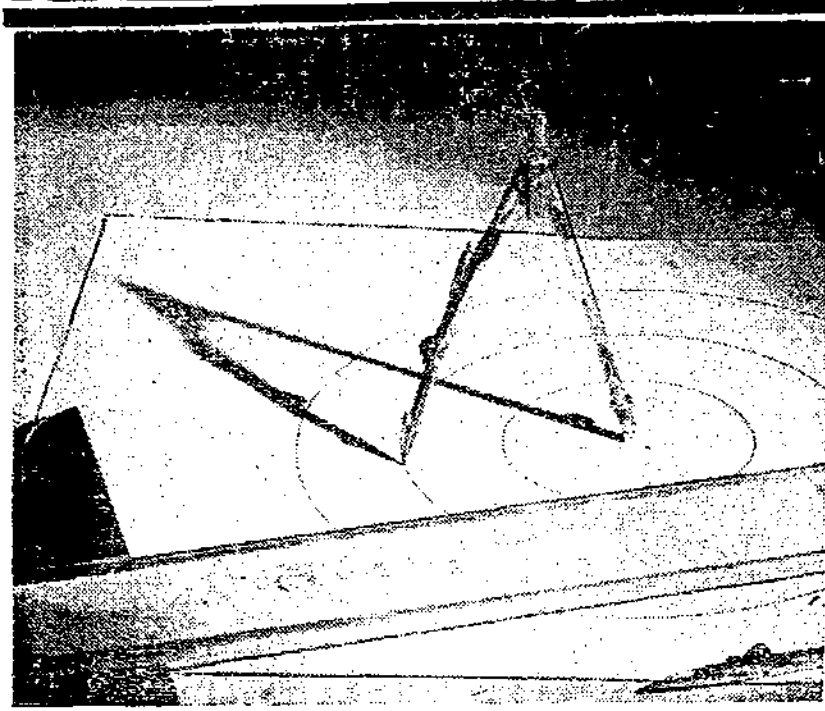

Warren Ambassador Writes Interesting Letter From JVO

June 29, 1957
Dear Friends:
At 4:00 p. m. today I sailed from New York along with 1325 other students and leaders and a crew of 365 on the Dutch ship John van Oldenbarnevelt, known to all of us now as the "J.V.O." In addition to the students and crew, approximately 2500 parents and friends were on ship from 1:00 to 3:00 p. m. This will give you an idea of the deck space of this 18,000 ton vessel on which so many people moved.

It was really a well organized affair. There are 160 Experimenters aboard including 14 Community Ambassadors. The other students are part of work camp or conducted tours. All student passengers are accredited on the college level and range in age from 18 to 30. Yesterday was spent in orientation meetings including a tour of United Nations and a special meeting of Community Ambassadors. The oldest city represented in the program was Jamestown, N. Y., which has sent ambassadors for 10 years, and the ambassador from Akron, Ohio, is representing this city for the first time. Last night the Experimenters met in the ballroom of the Henry Hudson Hotel to get acquainted and to hear a "pep talk" by Gordon Boyce, president of the Experiment in International Living. Mr. Boyce explained that the Community Ambassador project which is 10 years old this year is only a small part of the whole program. About 10% of the students are ambassadors and other 10% receive some type of scholarship.

A former Warren woman, Mrs. Arlene Stuck, who last April climaxed a 32-year effort to locate her daughter by having a reunion with her, while in Warren Monday, stated that she has appointments to appear on at least two network programs, as a result of being reunited face to face with her long lost child.
The daughter, Mrs. Dorothy Sugden, of Genesee, Pa., is the mother of five children. Until Thursday morning, March 14, Mrs. Stuck had not heard from her daughter since the girl, at the age of two, went to live with the family of Mrs. Stuck's brother in Hornell.
The Pennsylvania woman was located early in March by Bradford Police Chief Edward Edmonds, after about two months correspondence with Jamestown Police Detective Earl L. Thies. However, it was not until March 14 that Mrs. Stuck was able to contact her daughter by telephone and arrange the person-to-person meeting.
The mother and daughter were reunited April 13 in a hotel at Wellsville, N. Y. Mrs. Sugden now 36 years old, was accompanied by her family as she held the reunion with her mother. They include Mr. Sugden, and the Sugden children, Ronald, 7, Barbie Jane, 4, Judy Ann, 5, Ronald Jr., 10 and Bonnie Lee, 15.
Mrs. Stuck was in Warren to secure a copy of her birth certificate, to be used in securing Social Security papers. She left Warren for Jamestown, N. Y., in 1946. (Bradford papers please copy)

INSPECTING HOSPITALS

State Senator L. E. Chapman, of this city, accompanied by Russell B. Stoner, statistician for the Appropriations Committee of the Pennsylvania State Legislature, were in Warren today inspecting the State Hospital. En route to this city Monday from Harrisburg they visited hospitals in Lock Haven and Renovo.

Jaycee Mardi Gras Notes!

A full crew turned out last night to aid "Matt" Mazzu in erecting the bleachers to be used for the BLACK DIAMOND RODEO which will be in Warren July 4, 5 and 6 at War Memorial Field. Chairman Mazzu has issued another call for a work detail to help at the field tonight at 6 p. m., and all JAYCEES are asked to be on hand.

Among the extra attractions present even now at the RODEO site is the magnificent trained dog act which will be a stellar part of the show. Camped in a small trailer at one end of the field is a spry gentleman who has his 8 dogs moving with unique discipline through a series of magnificent acts.

MISS AMERICA arrived today, and Mr. MG was right there to greet her. She is a real Southern beauty, and those of you who want to meet a real fine cotton-pickin' gal should be present tonight when the QUEEN OF THE MARDI GRAS is officially chosen. Beauty School is the place. The time is 7:30 p. m.

And don't forget. After the final coronation is over, move right inside to the QUEEN'S CORONATION BALL, the biggest and best dance that Warren has perhaps ever held. The wonderful music of the SAM DONAHUE ORCHESTRA, plus the presence of MISS AMERICA, all add up to one of the outstanding evenings Mr. MG has had the privilege to present here in Warren. Tickets are still on sale at B & B SMOKE SHOP and the UNITED CIGAR STORE. Better get yours tonight before the big dance. There'll be a rush, and you want to be there for the opening bars of that fine, mellow DONAHUE band.

Chairman Owens told Mr. MG in strict confidence (so loudly that all in War Memorial Field could hear every word) that the parade this year had more musical units than ever before. This column does not have enough space to list them all, but the parade this year will add the final touch to the glorious week.

Suspense runs high, and even Mr. MG, who knows all there is to know about the celebration this year, has no idea who will be chosen the queen. Will it be BARB, SALLY, ANDREA, SANDRA, or SALLIE? Each one is a queen in her own right, and Mr. MG can only wish that each one could be Queen of this Mardi Gras. To the chosen queen, he wishes much success and adds his congratulations. To the court, he adds that you are all beautiful girls, and Mr. MG has considered it a privilege to know you these few weeks.

Couldn't help thinking last evening as I sat around talking with Sallie and Andrea that the first two events of the MID-SUMMER MARDI GRAS had been a huge success, aided in no small measure by the cooperation of the weatherman who must be a Jaycee himself. The boat races were exciting from start to finish. Mr. MG had a cousin, from Pittsburgh who took home two trophies and who

Advance Guard of the Black Diamond Rodeo Is Arriving

Visitors to War Memorial Field Monday discovered the advance guard of the Black Diamond Rodeo had arrived during the night with the appearance of a trailer truck in the southeast corner of the field owned by Mr. and Mrs. Tama Frank and their son "Butch". All three will be on the program which gets under way afternoon and evening starting Thursday.
Young "Butch" and his black and white pony have already become favorites with the neighborhood kiddies. He is shown above in a special posing picture.
"Butch's" father is a knife thrower extraordinary, and Mrs. Frank with her Rodeo Rogues, a famous dog act, is already a hit.

Butch is considered one of the youngest and most talented western performers, doing trick riding, trick roping and giving a bull whip demonstration.
Other units of the Rodeo were arriving throughout the day. Men in charge of a large truck load of horses with a trailer accompanying visiting eating houses in Times Square before eight o'clock.
A large squad of Jaycee members headed by President Dick Cook spent a busy evening setting up additional bleachers brought in from Wilder Field, and more expected from Corry will be set up tonight. Members are urged to keep in mind the work bee beginning as early as possible.

testified that it was a fine course to race on.

But look what's still to come. This evening Miss America will be here, and a new queen will be crowned. Sam Donahue and his Orchestra will be waiting sweet music and give from Beauty Gym, and no one should miss that big, big event. Can't think of a better time. Remember, tickets are on sale for the big dance at UNITED CIGAR STORE and THE B&B SMOKE SHOP. Better get yours now.

Shallenbergers Given Party for Anniversary

Many relatives and friends attended open house honoring the 25th wedding anniversary of Mr. and Mrs. Edward Shallenberger and held at their new home in Waterford.

The affair was arranged by Mrs. Shallenberger's sisters, Mrs. Janies Cuthbertson, Jamestown, N. Y., and Mrs. Edward Pedensky, Titusville, with Mrs. Dewey Black, sister of Mr. Shallenberger.

Centering the table was a lovely arrangement of snapdragons, roses and stephanotis, with lighted silver candles; also a beautifully-decorated three-tier wedding cake.

Aides were Mrs. Wallace Brummagin, Mrs. Shirley Brown and Mrs. Orville Chase, each favored with a carnation corsage; Rebecca, only daughter of the couple and in charge of the guest book, wore pink carnations.

Mrs. Shallenberger received her guests in a dress of light blue sheer, with which she wore a corsage of pink rosebuds. Mr. Shallen-

berger was honored with a white boutonniere.

Mr. and Mrs. William Cohell, Tidouste, were special guests of the day, having just recently observed their 53rd wedding anniversary.

Forest Co. 4-H Club Vespers Are Attended By 150 People

In the beautiful outdoors setting of the upper area of Tionesta Dam, the Forest County 4-H Vespers program on Sunday evening opened and closed with the clear tones of a trumpet. Approximately 150 people attended the 4-H service.

The theme, "The Church in My 4-H Life" was expressed by the following:

- C—Christian Fellowship, Dolores Redick of West Hickory
- H—Helpfulness, Linda Adams of Marienville
- U—Understanding, David Culp of Smoky Hill
- R—Religious Outlook, John Gamble of Tionesta
- C—Courage, Tom Kincaid of Tionesta
- H—Harmonious Living, Ronald Pierce of Marienville

Elsie Culp of Smoky Hill gave the invitation to worship and led the Lords Prayer. The Scripture was read by John Gamble and prayer was offered by John Wagner of Red Bush. Byron Carson of Neiltown said the offering would be presented to the fund of Church World Service and he pronounced the Offertory Prayer.

A program feature was "The Voices and The Voice — Which Voice Do You Hear?" The voices were Betty Allio of Smoky Hill, Nancy McGinnis of Tionesta, Richard Copeland of Stewart Run, and Robert Lewis of Geiman Hill. Unison was given by the combined 4-H agricultural and home economics clubs of Marienville. All 4-H club members responded with

notes of "The Awakened People". Special music included Darvil Peterson of Neiltown playing the trumpet and Jane Dorsett of Marienville singing "In the Garden". Under the direction of Yale Wilson, the Junior Choir of The Tionesta Methodist Church sang "Holy, Holy, Holy".

Rev. Samuel Phoebus of Marienville pronounced The Benediction. Rev. Phoebus and Byron Carson planned the 4-H Sunday Vespers program with Russell M. Smith, county agent and Kathleen Zumbro, county extension home economist. Betty Allio was program coordinator. Ushers were William Cummins of Stewart Run and Forrest Wagner of Red Bush.

Youngsters Enrolling In Forest Co. 4-H Camp

Forest County 4-H Club boys and girls are enrolling for District School of the Warren County Monday to 25, according to extension workers Kathleen Zumbro, Clan McCracken and Russell M. Smith.

The camp includes members from Clarion, Crawford, and Warren counties.

The camp program includes handicraft instruction, inspiration, services, campfire programs, swimming, soft ball, and other games.

Enrollment for this 4-H Camp is to be completed by July 10. Blanks for registering are available at the Extension Office in the Court-house.

Motor Club Official Urges Caution Over Independence Day

Caution, courtesy and common sense should be the creed of those who plan to drive during the Fourth of July holiday, Donald E. Schuler of the Warren County Motor Club said today.

"We know from experience that because of the holiday, traffic will be far heavier than usual," Mr. Schuler said. "This makes observance of the three 'C's' especially important." The AAA-Pennsylvania Motor Federation estimated that well over 25 million passenger cars will be on State highways sometime during the Fourth of July and the following weekend.

Mr. Schuler pointed out that last year, five persons died in traffic accidents on the single Fourth of July holiday which fell on Wednesday. "Last year's total may seem low," he said, "but we realize it was far too high when we consider that those five persons died needlessly."

This year, the Fourth will signal the beginning of an extra-long weekend for many motorists. Mr. Schuler suggested observance of the three 'C's' by:

1. Adjusting speed to driving conditions and never exceeding posted speed limits
2. Always giving the other driver the benefit of a doubt
3. Avoiding alcoholic beverages
4. Not driving when tired
5. Planning trips which can be made without having to hurry.

"FACTS BEHIND FILTER-TIPS"

Smokers who have changed from plain-tip to filter-tip cigarettes because of the findings of scientists linking cigarette smoking and lung cancer probably are receiving less "health protection" than they imagine.

So reports a July Reader's Digest article, "The Facts Behind Filter-Tip Cigarettes," by Lois Mattox Miller and James Monahan which will appear tomorrow June 25.

Accompanying the article is a table of figures on tar and nicotine found by Foster D. Snell, Inc., New York consulting chemist and engineers, in the smokestream of twenty-six brands of cigarettes, half of them filter-tip and half plain-tip, and including both king and regular lengths.

By switching to a filter-tip with a low tar rating on this table, a smoker may reduce his tar by seven to 17 percent but medical authorities, the article reports, say these reductions "are too small to be really significant in terms of health protection."

Many switches from plain to filter-tips, the figures reveal, actually result in the smoker being exposed to more instead of less tar and nicotine. A change from one company's plain-tip regular length cigarette to its king length filter-tip, for example, resulted in "18 percent more tar, 29 percent more nicotine."

Most filters, says the article, "are little more than mouthpieces" and "to kick a satisfactory taste through the filter" the blends going into filter-tips are being loaded with heavier burley tobacco. Smoke from this is reported to yield about 16 per cent more tar and 40 percent more nicotine than mild, flue-cured tobacco.

The article also reports there "is less tobacco in most king-size filter-tip cigarettes than in the shorter plain-tip cigarette."

Before 1954 less than ten percent of the cigarettes sold were filter-tips. They accounted for 30 percent of the sales last year. Some say they passed the 50 percent mark early this year and, according to the article may command 75 percent of the market by the end of the year.

FATALLY WANDERING MINDS

Just about the toughest lesson to hammer home to the motorist traveling today's crowded highways is the high price of inattention.

Driving is, of course, a business and always has been, even when the purpose of a trip is pleasure.

Measure the size, weight and potential speed of a present day car, multiply it by 65 million, and you can see that our streets and highways in 1957 are no place for the man who can't keep his mind on his driving.

University of Michigan traffic engineers in confidential interviews with drivers involved in accidents found that a substantial share frankly acknowledge they were upset one way or another at the time and not paying full attention.

Their stories had a thousand variations but they all spelled worry or preoccupation with some personal or business problem—a divorce, an operation, falling profits, a fight with the wife, and so on.

Industry, incidentally, has found that the same emotional causes tend to make factory workers "accident prone."

Driving in this age is hazardous under the best of conditions, given booming traffic and inadequate roads. If you add to this a driver with a wandering mind, the result can be an open invitation to death.

THOUGHTS FOR TODAY

And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's. And they marvelled at him.—Mark 12:17.

Gold is Caesar's treasure, man is God's; thy gold hath Caesar's image, and thou hast God's; give, therefore, those things unto Caesar which are Caesar's, and unto God which are God's.—Francis Quarles.

"I Hear They're Working on a Bigger Paper Missile"

Here and There

Here are a few "reminders" for a "Safe Fourth" as reprinted from the Warren Evening Mirror of July 2, 1907—fifty years ago

Don't waste your money on the purchase of small firecrackers. One large one will remove the fingers quicker and more painlessly than a dozen small ones.

Always remember to break your torpedoes when there are little children about. The nice little pebbles will fly up into their eyes and make business for doctors.

If you firecracker for any reason does not explode pick it up and blow the fuse. There are still some vacant seats in the front row Harps furnished free.

Take care to point the toy pistol with the blank cartridges directly at little brother. One of them may be loaded and you will have a pleasant surprise.

Hold your skyrocket in either hand. Lint is cheap and the safe manufacturers have to make a living.

Be sure to put off a firecracker or two under some frachious

team. The dinner has to have exercise and besides didn't we lick the British.

It is a sign of bravery to stand close by when you fire the home-made cannon. Your friends will sing nice hymns, and there are lots of flowers blooming.

A half pint is a very good thing to incite patriotism. If you wish to be exceptionally patriotic get a quart. You will then think you licked King George yourself.

If you have a lively rig be sure to lick the horse. The Fourth only comes once a year.

Don't forget to holler. Somebody may be sick in the locality and they will be glad to know that you are feeling good, at least.

Be careful not to miss the midnight firing of the anvils. It is so much more romantic to get an eye blown out after dark.

Always point your Roman candles where there are the most people. It would be too bad to waste all the pretty red white and blue balls without blinding somebody.

And maybe if you are real careful, you can start a fire.

Do not forget to swear and stagger a little. The ladies will then think you are a bold, bad man, and some wicked sinners may entice you into a gilded palace and set up the ginger ale.

By all means start a fight. A Fourth of July without a fight would be like a Sunday school picnic without a potato salad.

Celebrate with all your might. Blow in the whole dollar and fifteen cents at once. It may be the last vacation this year. Be sure to eat a lot of peanuts and pure food candy. Your stomach will get patched up in time for the fair.

Writing on stationery of the Automobile Club of Southern California, 1616 S. Gaffey street, San Pedro, Calif., W. C. "Bill" Duff, a charter member of the Warren Barbershop Chorus and one-time member of the Elk quartet, the Every Knights, has this to say about the recent appearance of the local Chapter in the International Competition at Los Angeles.

"Dear Ed: Well, the Warren Barbershop Chorus did not place in the Medalist Contest, however, in my humble way I want to attempt to convey the feeling of pride and joy that was mine as a member of the huge audience that heard this fine organization compete.

"They sang in competition with ten other choruses that were classified as the best groups in the whole U.S.A. and Canada and believe me, the competition was tough. Bill Turner of San Francisco, formerly of Warren and former secretary for the SPEB—Warren chapter, and I sat together and believe me, Ed, we really sweat it out. The Warren Chorus sang 8th which was the 2nd group after intermission on Saturday afternoon and the community of

Warren should be very proud to have such a fine group. I cannot stress too strongly the splendid job they did from beginning to end and Earl Enison should be congratulated for the fine job he has done.

"Naturally, you can't help but feel disappointed after such tremendous efforts, but taking into consideration the professional competition, they should hold their heads high. "For example, the last choruses to compete had 20 voices (minimum allowed) and the I don't know it to be a fact it seems that they weeded out all but the highest trained voices which to me loses the whole principle of the society. Picture the difference between 20 professional and 49 just dam good singers and you can see that democracy of the Warren chorus put itself into light and was greatly received by the vast crowd. After all the basic fundamental is to enjoy good group singing and to let all members who care to participate, and not weed out all but a select few. "It was a tremendous four days for me and an extreme thrill and I only hope that next year they will be named the international champs. Sincerely, W. C. Duff"

Many in Warren, especially members of the Elk Club, the Legion Home, Masonic Temple and numerous family circles, were grieved to learn of the death Friday night at Highland Park, Ill., of Henry J. Morrison. Better known to intimate friends and relatives as "Beany", he was a frequent visitor to Warren, especially on important occasions such as Memorial Day, Fourth of July Celebrations, and other community events, including the Warren-Jamestown football games. "Beany" had lived in Jamestown for many years but he never lost his enthusiasm and interest in his "old home town" of Warren. Even when he could not get back for his occasional visits he would keep in touch through telephone conversations and newspapers. We'll miss seeing him in his accustomed haunts this week, for there is no doubt he intended to be back in town for the annual Fourth of July celebration, and the parade which will be held this year on the 6th.

MR. AND MRS. RONALD L. LEAVE

Mr. and Mrs. Ronald L. Leave, with daughter, Anita Mae Freeborough, daughter of Mr. and Mrs. J. Freeborough of 2 Sixth avenue, became the bride of Ronald L. Leave, son of Mr. and Mrs. Harry R. Candy, 327 West Spruce street, Titusville, on June 22 in Warren's First Lutheran church.

Pastor Fredrick B. Haer performed the double ring ceremony at 7:00 p. m. in a setting of palms, vases of pink carnations and white gladioli, with white tapers in four candelabra. Mrs. Dorothy Engstrom was at the organ for traditional wedding music, with the bride's cousin, Jack Haight of Youngville, as officiant.

The bride wore a beautiful floor length gown of carnation-white, imported chantilly lace, fashioned with scoop neckline in a moulded bodice, thin sleeves, complemented by short mitts, and a bouffant skirt of cartridge-pleated tulle with short overlay of lace. Her fingertip veil of nylon tulle fell from a Juliet cap and seed pearls, her necklace was of pearls, and her flowers were Sweetheart roses.

As maid of honor for her cousin, Judith Keeler wore mint green lace over taffeta, with matching green headband and accessories, and carried pink carnations. Bridesmaids Kay Samuelson, Youngville, and Sandra Winner, were gowned identically to Miss Keeler, with white headbands and accessories, and also carried pink carnations.

Neil Follette was best man for Mr. Leave; ushering were Marie

50th Anniversary of Joseph O'Learys

Mr. and Mrs. Joseph F. O'Leary, 222 Church street, Sheffield, will observe their golden wedding anniversary with a family dinner at their home July 6.

Joseph F. O'Leary and Mae E. Russell were married July 3, 1907 in St. Clara's church, Clarendon, by Father Michael Flood. Attend-ants were Mrs. Maud Russell Hick-ey and James E. Farr.

The couple has six living chil-dren: Joseph E. and Robert A., Sheffield; Eloise A., at home; Mrs. Kirwin J. Crowley (Regis), Ton-awanda, N. Y.; Catherine M., Pitts-burgh; Sally A., Buffalo. Another son, Russell P. died in the service in 1949. They have four grandchil-dren, Harriet, Sharon and Shawn O'Leary; Danny Crowley.

Mr. and Mrs. O'Leary moved to Sheffield in 1948 from Roystone when the former retired as chief engineer of the Pennsylvania Gas Company, after 45 years of service.

Local Piano Instructor Presents Tionesta Pupil

Gail Whitton, 12 year old son of Mr. and Mrs. Paul Whitton of Tionesta, was presented in a piano and clarinet recital at 8:00 p. m. Saturday in Tionesta Presbyterian church by his teacher, Lillian J. Larsen, faculty member of Warren School of Music.

He was assisted by Candace and Pamela Benninger and Marlene Weingard, voice students of Mrs. Medora Henry.

The church, beautifully decorated with summer flowers, was filled to capacity with interested friends and relatives.

Gail's program consisted of nine piano solos played entirely from memory. His playing throughout reflected ease, self-confidence, and much poise. His two clarinet num-bers, Sleeping Beauty, from "Dorn-roschen Ballet" by Tchaikowski and Waves of Danube by Ivanovi-ki, were very creditably per-formed.

Special mention of the numbers by the young vocalists should in-clude The Lord's Prayer by Ma-lotte, Cradle Song by Brahms (a duet), and Il Bacio (The Kiss) by Ardit. Nancy McGinnis was at the piano for the singers.

Following the program, a recep-tion was held in the social rooms of the church.

Sugar Grove Minister And Family Welcomed

Sugar Grove — Rev. Merrill Livezey and family were welcom-ed back to the parish by 70 mem-bers of the Methodist church with a tureen supper, with lovely sum-mer flowers decorated tables and an arrangement of roses centered the guest table.

A committee from WSCS, com-posed of Mrs. Edwin Young, Mrs. Richard Atkins, Mrs. Hobart San-ders, Mrs. John Wightman and Mrs. Chester Mason, served din-ner. Edwin Young, superintendent of the Sunday School, acted as master of ceremonies.

Ruth Ann Scott was accompan-ist for group singing; Scripture was read by Jesse Thompson; prayer was offered by Mr. Eng-lish. Special music included a trio by Mr. and Mrs. Travers Stohl-berg and daughter, Martha; solo, Mr. Stohlberg, with Mrs. Neil Scott, accompanist; piano solo, Mary Sweeney.

Lay Leader F. A. Schoonover welcomed the pastor and his fam-ily and Rev. Livezey responded, giving some of his plans for the church. Mrs. Livezey was present-ed a corsage and Mr. Livezey a boutonniere.

Out of town guests included Rev. Livezey's parents from Fair-mont, Ind., and Mrs. Livezey's parents, Mr. and Mrs. English, Marcia English and Floyd Grubbs, Kinzua.

Rev. Livezey announced Rev. Bert Jones and family, of Pitts-burgh, popular radio pastor, will conduct services at the local church Saturday, July 27 and Sunday, July 28, morning and afternoon.

MRS. FRANK JAMES OAKES

The Church of the Advent in Bloomfield, N. J., was the scene of the Saturday wedding of Mar-garet Evelyn Crooks, daughter of Mr. and Mrs. Nelson Aspell Crooks of Corydon, to Frank James Oakes, son of Mr. and Mrs. Henry James Oakes.

Solemnizing the marriage was the Rev. Walgron L. Coon, father of one of the bridesmaids.

The bride was given in marriage by her father and attended by Barbara Anne Rollo, maid of hon-our; Mrs. Fred Keil and Mrs. Wil-liam Brumbach, bridesmaids.

Donald R. Oakes was best man for his brother and two other brothers, Fred Keil and Dwight C. Oakes, ushers.

After a brief honeymoon, the couple will reside at 281 B. South-ern avenue, Ambler, Pa. The newlyweds are both graduates of Pennsylvania State University.

Mrs. Oakes is a teacher at Lans-dale, Pa., and Mr. Oakes is work-ing with Link-Belt at Colman, Pa.

Mr. and Mrs. Alva Fuller, Grand Valley, wish to announce the engagement of their daughter, Shirley Yvonne, to Robert Charles, son of Mr. and Mrs. R. E. Stewart, Titusville RD 2.

Miss Fuller, graduate of Youngs-ville High School, is studying at God's Bible School in Cincinnati, O., where Mr. Vergara is also studying for the ministry. No date has been set for the wedding.

Mr. and Mrs. Laverne Haight, Pittsfield, wish to announce the engagement of their daughter, Barbara Aretta, to Juan Ver-gara, of Havana, Cuba. Miss Haight, 1956 graduate of Youngs-ville High School, is studying at God's Bible School in Cincinnati, O., where Mr. Vergara is also studying for the ministry. No date has been set for the wedding.

Youngsville Instructor Presents Piano Pupils

Youngsville—A large and en-thusiastic audience greeted stu-dents of Lillian Swanson in their annual piano recital, presented in the high school auditorium.

Pupils who had participated in the national piano-playing au-ditions during the day were present-ed their certificates and pins, which included local, district, state and national ratings according to the number of pieces memorized by each. These students were graded by Hazel G. Skaggs, River Edge, N. J., judge for the National Guild of Piano Teachers.

Pupils taking part in the recital were Martha Wiler, Cheryl Camp, Caroline Hinton, Keith Mc-Kinney, Barbara Crippen, Karen Jewell, Karen Hajnik, Sharyn Wal-ter, Linda Wiler, Judy Kirk, Karen Nelson, Everett Wiler, Jeanne Maasz, Bonnie Nelson.

Also Paula Johnson, Dennis Clark, Ingrid Swanson, Lynn Beck-er, Janet Sullivan, Norma Kirk, Barbara York, Beverly Meleen, Sherri Craft, Patricia McKinney, Nancy Stock, LaVaughn Loomis, Joan Mulvey and Edith Olson.

At the close of the recital, Miss Swanson was presented a gift from all her pupils.

Young Pianists Heard in Recital at Conservatory

On Saturday evening, Miss Ade-laide Swanson, faculty member of Warren Conservatory of Music, presented in piano recital Miss Roberta Linder, aged 10, and Bruce Holmberg, 11. The concert hall was well filled for the event.

Although young in years, both students played exceptionally well, demonstrating real ability and much hard work. Their playing was filled with fine expression, good steady rhythms and careful regard to tempo.

Roberta was outstanding in "Dancing Leaves" and "O Sole Mio", while Bruce seemed to be at his best in "Jolly Darkies" and "Sabre Dance", a perfect com-position for a lad. They combined their talents for a piano duet and, later, for a delightful two-piano number, they played "Guitar Ser-enade".

Freddie Haer, 12 year old son of Rev. and Mrs. F. B. Haer, as-sisted with a group of vocal solos. With Miss Swanson at the piano, he sang "Grandma", "Then You'll Remember Me" and "Summer-time".

Mr. and Mrs. L. E. Linder, Mr. and Mrs. James Holmberg enter-tained for all with a reception in the Conservatory social rooms at conclusion of the program.

MR. AND MRS. JOHN LYNN DONALDSON

White summer flowers, in artis-tic combination with greens, dec-orated the altar in Trinity Memorial Episcopal church Saturday after-noon, June 29, for the marriage of Mary Roberta Elliott, daughter of Mrs. John Russell Elliott and the late Dr. Elliott, of 314 East street, to John Lynn Donaldson, son of Mr. and Mrs. Leonard N. Donald-son, 312 Jackson avenue.

The Rev. Beecher M. Rutledge performed the double ring cere-mony at 3:30 p. m., with candles lighted by John Marymont and the bridegroom's brother, Craig Don-alson, and with Carroll A. Fowler at the organ.

Given in marriage by her brother, John Elliott, the bride was gowned in white embroidered or-gandy, with sabrina neckline. Her veil fell fingertip length and she carried a white prayer book cover-ed with stephanotis and ivy sprays.

Wearing bouffant white eyelet organdy over mint green taffeta and carrying baskets of yellow daisies and ivy sprays, the maid of honor was Sara Ferguson, Union-town; bridesmaids Marlene Valen-tine, Philadelphia and Joan Sag-limbene; junior bridesmaid, Mary Donaldson, sister of the bride-groom.

Completing the bridal party, Michael Egan was best man for Mr. Donaldson; ushers were Mr. Donaldson's brother, Kurt, with Charles Salerno; and Neil Bowen, Youngsville.

Mrs. Elliott wore pink chiffon roses with a hyacinth blue gown and hat; Mrs. Donaldson wore lime green; with white delphinium.

The reception for 200 guests fol-lowed immediately in the North Warren community house, where greens, palms and summer flow-ers created an attractive setting.

Out of town guests were Mr. and Mrs. C. W. Hunt, Harrisburg; Ardith Gundersen, Elmira, N. Y.; Jane Stockton, Bernice Samuelson, Pittsburgh; Kathleen Meyer, Mrs. M. Burritt, Woodruff Lake, N. J.;

NEWSPAPER

TROUBLE STILL, BUBBLES IN MID-EAST—The Newsmap above illustrates two important developments in the Middle East that produce a trouble-laden situation. One is the heavy loss in prestige of Egypt's President Gamal Abdel Nasser. Once the feared leader of the Arab nationalist states, he now has only Syria at his side of all his former allies. Four of them are actively lined up with the West against Nasser's pro-Soviet policies; three—Libya, Sudan and Yemen—are doing nothing to help him. In fact Libya recently expelled an Egyptian colonel for subversive activities. Yemen is expected to follow the lead of King Saud. The other Middle East development is Russia's military and naval activity in the explosive area. The North Atlantic Treaty Organization (NATO) is watching this very closely, despite Moscow's "peace program" at the London disarmament conference. / ...

Yanks Finally Pile Up Their Biggest Lead of the Season

By DON WEISS
The Associated Press

Whitey Ford's back and, while the New York Yankees have yet to approach that anticipated American League runaway, it might be significant they reached their biggest lead of the season on the day the ace left-hander returned.

Ford, AL leader last season in winning percentage 19-6 for .760 and earned run average 2.47 and an 83-29 lifetime pitcher, ended a six-week layoff caused by arm trouble last night and picked up a victory in relief as the Yankees edged Baltimore 3-2 on Mickey Mantle's 10th-inning homer.

Coupled with Detroit's 5-2 de-

feat of the second-place Chicago White Sox, the triumph boosted the defending world champions into a two-game lead.

In the National League, the trend of everyone winning a few and losing a few continued.

St. Louis, capitalizing on four Milwaukee errors, defeated the first-place Braves 9-5 in one of three night games after second-place Cincinnati, half a game back had been stopped in the afternoon by the Chicago Cubs' Dick Drott 6-0.

Brooklyn, behind Don Drysdale's five-hitter, blanked the New York Giants 3-0, and Philadelphia rallied for five runs in the eighth to end a five-game losing streak 5-4 over Pittsburgh.

LONG RANGE HURLER — Joe Williamson strikes out Little League batters in Dhahran, Saudi Arabia, so casually the Hall of Fame at Cooperstown has put a baseball he autographed into one of its cases.

Culligans With a Triple Play Edge Nino Despite Blair

Culligans, with a triple play, won over Nino's 11-9 at the State Hospital. The big play was from Madigan to Berdine to Carlson to Bevevino. Bevevino was 4 for 5. Bartholomew was 2 for 4. Berdine, Bevevino, Massa, and Carlson had doubles for Culligans. Hartweg for Nino's. Berdine and Bartholomew had homers for Culligans, Blair for Nino's.

Ballarin Gains Unanimous Decision Over Bob Provizzi

New York (AP)—Germinal Ballarin, a newly arrived Frenchman, intended to use last night's bout with Bob Provizzi merely as a warmup for an important July 19 meeting with Rory Calhoun.

Instead, it may have cost him the Calhoun match.

"We were all set to sign the papers," said International Boxing Club matchmaker Billy Brown today. "But now we're not so sure. That Provizzi is a spoiler."

Provizzi, who fights out of Free-land, Pa., could have spoiled the fight completely had not the Frenchman chased him all around the ring and gained a unanimous—but close—decision.

That the fight produced little action was not Ballarin's fault. He tried to show he was a puncher.

Referee Harry Ebbets gave it to Ballarin 6-3-1. Judges Leo Burnbaum and Bill Recht each had it 6-4. The Associated Press card had Ballarin ahead 7-3.

"I am satisfied with myself," said Ballarin, "but I thought I had the fight won by a wider margin."

Condition of Paul Waner Reported Little Better

Alpine, Tex. (AP)—The news was good today about Paul Waner, major league immortal, who has been hospitalized here with pneumonia.

Waner, 35, who was placed in baseball's Hall of Fame because of his batting feats, was reported recovering and should be out of the hospital in three days.

His condition was described as serious when he suffered the attack Sunday following a four-day baseball training school which he and Earl Hallstead, Milwaukee Braves scout, had conducted here. They had worked in intensive heat at the Braves' school.

KINZUA TARGET CLUB IN CCBA

Kinzua baseball team has become the "target club" in Chautauqua County Baseball Association as they enter the second half of league play with an undefeated string of nine in their rompers. Other teams are Kennedy, runner up; Frewsburg, third place; Sugar Grove, Falconer, Brocton Onoville.

Harrisburg (AP) — The State Game Commission Monday set a three-day special antlerless deer season for Pennsylvania to follow the regular buck deer hunting season.

The commission set the regular buck season to run from Monday, Dec. 2 through Saturday, Dec. 14.

The special antlerless season will run from Dec. 16 through December 18.

The commission said approximately 135,000 antlerless licenses will be available—about 100,000 more than issued during the last antlerless season held in 1955.

At the same time the commission set these hunting seasons:
Small game—Oct. 26 through Nov. 30
Bear—Nov. 25 through Nov. 30

Ruffed grouse—Oct. 19 through Nov. 23.
Wild turkey—Oct. 19 through Nov. 23.
Squirrel—Oct. 19 through Nov. 23.

The action followed proposals Saturday by a half dozen statewide sportsmen, industrial, government and farm groups urging an antlerless deer season.

The bow and arrow deer season will run from Oct. 5 through Oct. 12. The archers had sought a month-long season. They will be allowed to shoot one deer of either sex during their season.

"Modified, New Cars, and Stock Cars," with entries from Canada, New York, and Pennsylvania with many local cars to add to the color. Veteran Stuntman Johnny Hardinger will perform again at Skyline July 3rd doing "The Leap of Death," off the High Ramp. Johnny has been known to sail 90 feet through the air landing into 9 or more catch cars. Johnny performed with the Canadian Aces and Ward Beams Hell Drivers. This is a special added attraction, included are the regular racing events and the "Gigantic Display of Fireworks."

Kinzua Wins The Chautauqua County First Half Title

Kinzua clobbered Falconer, 12-1 at Kinzua, Monday afternoon and thereby completed an undefeated first half run in the Chautauqua County Baseball Association, one of the very few times the feat has been accomplished in the circuit. It was the ninth straight victory for the first half kings. Frewsburg nosed out Sugar Grove, 8-7, by scoring two runs in the ninth inning for a come-from-behind triumph, pitcher Dick

White's squeeze bunt plating and decisive counter. It was White's sixth pitching win in seven decisions during the half, and netted Frewsburg third place with a 7-2 record. Busti registered the easiest victory of the day, traveling to Sherman for a game and winning by a forfeit 9-0 count as Sherman was unable to field a team. The bloodless triumph enabled Busti to finish fourth, with a 6-3 record. Kennedy Grill posted a 4-2 win over Onoville and thus snuggle into the second spot with an 8-1 mark. Brocton entertained Harmony a little too well to suit the visitors, winning 8-4, although both clubs made the same number of hits, eight.

WORLD WAR I VETERANS

Of the 4,744,000 veterans who served during World War I, approximately 131,000 died in service and the remaining 1,613,000 deaths have occurred since the end of World War I.

Something to think about fellows: Are your records and services properly recorded at the court-house, or with the Veterans Administration should it be necessary to file a claim for you or your dependents.

Many widows and children are denied benefits because all records of previous marriages and divorces are unobtainable. Why not try to get these certified copies from county or state bureau of Vital Statistics to avoid long delays for these loved ones you want to protect.

In World War II there were 380,810 American servicemen who died from battle wounds or illness.

Playgrounds To Be Open But Unsupervised July 3rd Thru 8

Last week's good weather brought out 8211 youngsters to the playgrounds. To date 2101 boys and girls have registered at the various area. Beatty now leads in registrations with 481. Lacy has 460, Crescent 411, Mulberry 260, Memorial 282 and the Airport with 37.

Wednesday will be the last day playgrounds will be supervised this week. Equipment will remain open from the 4th of July until the following Monday for Warren citizens to use. Horseshoes are in the pits and tether balls and paddles are available. Swings, slides and other equipment can be used but parents are reminded that there is no supervision and should accompany their children to the playgrounds.

The Picnic area in Crescent has been receiving many out of state visitors. Jim Reier and his Park Department workers have the area in the best condition ever. There are 6 charcoal and wood burning fireplaces and picnic tables at the area. Warren citizens do not have far to drive to have a nice outing. Many citizens spend the entire day with their children using the wading pool and playground facilities of Crescent Park.

On Tuesday the special event will be comb playing. Wednesday the youngsters will decorate their trucks, wagons, scooters, tricycles or anything that runs on wheels

for parades at all local playgrounds.

There has been some damage done at various playgrounds, by boys visiting the areas after dark. Some of these culprits, who want to destroy equipment so that others cannot use it, are known. They have been warned and their names are on the police register. There are only about a half dozen of them and they are trying to make things miserable for the thousands of other youngsters who are good citizens. Families living near the playgrounds can help keep the areas in good condition by calling the police when they know someone is damaging the equipment.

Taking part in special events last week were 402 boys and girls. Special event winners last week.
